In the Matter of:

THE NOTICE OF PURCHASED)	
GAS ADJUSTMENT FILING OF)	CASE NO. 8568-I
PENDLETON COUNTY WATER)	
DISTRICT, GAS DIVISION)	

O R D E R

On December 8, 1982, the Commission issued its Order in Case No. 8568 approving certain adjustments in rates and providing under certain conditions for the further adjustment of such rates when the wholesale cost of gas is increased or decreased or a refund is received.

On November 7, 1983, Pendleton County Water District, Gas Division, ("Pendleton") notified the Commission that its wholesale cost of gas would be decreased by its supplier, Columbia Gas Transmission Corporation ("Transmission"), effective September 1, 1983, and submitted with its notice certain information in compliance with its purchased gas adjustment clause on file with this Commission.

After reviewing the record in this case and being advised, the Commission is of the opinion and finds that:

(1) On July 29, 1983, and September 27, 1983, Transmission filed applications with the Federal Energy Regulatory Commission for decreased rates to become effective September 1, 1983. On August 11, 1983, in Case No. 8568-G, and October 10, 1983, in Case

No. 8568-H, Pendleton requested permission to track Transmission's decreases. By Orders issued August 22, 1983, and October 24, 1983, the Commission approved Pendleton's filings effective September 1, 1983. Subsequent to Pendleton placing these rates into effect, Transmission filed on October 27, 1983, revised tariffs to be effective September 1, 1983.

(2) Pendleton's notice of November 7, 1983, set out certain revisions in rates which Pendleton proposed to place into effect, said rates being designed to pass on the wholesale decrease in price from its supplier in the amount of \$24,364 or 11.36 cents per Mcf.

(3) Due to the retroactive nature of Transmission's decrease, Pendleton should report to the Commission any excess revenues collected during the period from September 1, 1983, to the date the proposed rates are implemented, along with a plan to refund any excess collections to its customers.

(4) Pendleton's adjustment in rates under the purchased gas adjustment provisions approved by the Commission in its Order in Case No. 8568 dated December 8, 1982, is fair, just and reasonable and in the public interest and should be effective with gas supplied on and after September 1, 1983.

IT IS THEREFORE ORDERED that the rates in the Appendix to this Order be and they hereby are authorized effective with gas supplied on and after September 1, 1983.

IT IS FURTHER ORDERED that within 30 days of the date of this Order Pendleton shall report to the Commission any excess revenues collected during the period from September 1, 1983, to

the date the proposed rates are implemented, along with a plan to refund any excess collections.

IT IS FURTHER ORDERED that within 30 days of the date of this Order Pendleton shall file with this Commission its revised tariffs setting out the rates authorized herein.

Done at Frankfort, Kentucky, this 22nd day of November, 1983.
